CE Credit Information

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Credentialing Center (ANCC), to provide continuing education for the healthcare team.

In support of improving patient care, The Heart Failure Society of America is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses

6:00 PM – 7:00 PM
To Right a Wrong in HF
Credit Hour(s): 0.50

7:15 PM – 8:15 PM
Beyond Socioeconomic & Access To Care: The Clinical Imperative for Understanding Racial HF Differences and Disparities
Credit Hour(s): 0.25

7:15 PM – 8:15 PM
Heart Meets Kidney
Credit Hour(s): 0.75

Physicians

HFSA designates this live activity for a maximum of 60.05 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component and post-test with 75% passing score, enables the participant to earn up to 12.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.

Thursday, October 1

6:00 PM – 7:00 PM
Supporting the HF Workforce: Optimizing Physical and Mental Wellness Among HF Providers
Credit Hour(s): 0.25

7:15 PM – 8:15 PM
HF and the End of Life—Opportunities for Innovation and Collaboration at the Intersection of Cardiology and Palliative Care
Credit Hour(s): 0.25
Friday, October 2

6:00 PM – 7:00 PM
HF Hospitalizations and Transitions of Care: It Takes A Village
Credit Hour(s): 0.25

Nurses

This educational activity is approved for continuing nursing education (CNE) units by the Heart Failure Society of America, an accredited provider of the American Nurses Credentialing Center. This activity is approved for a maximum of 60.05 contact hours (which includes 16.00 hours of nursing pharmacology. See details below).

Saturday, October 3

11:45 AM – 1:15 PM
Management of HF in Rural/Frontier Areas: Challenges and Potential Solutions for Clinical Practice and Research
Credit Hour(s): 0.50

11:45 AM – 1:15 PM
Myocarditis: Management Update
(Joint Session w/ Myocarditis Foundation)
Credit Hour(s): 0.75

Pharmacology Hours for Nurses

For Nurses who require pharmacology hours for their certification or licensure renewal, this year the HFSA Annual meeting offers opportunities to accrue 16.00 hours. Here the session offering credit hours:

3:00 PM – 4:15 PM
Unfolding Developments in the Care of Patients with TTR Cardiac Amyloidosis
Credit Hour(s): 0.75

Wednesday, September 30

6:00 PM – 7:00 PM
COVID-19: Lessons Learned in HF and Living with the New Normal
Credit Hour(s): 0.25

CE Credit Information

Pharmacology Hours for Nurses Continued (Saturday, October 3)

3:00 PM – 4:15 PM

Dangerous Liaisons in Pulmonary Hypertension

Credit Hour(s): 0.50

3:00 PM – 4:15 PM

Structural Interventions for A Failing Heart - A Partnership Between Interventional and HF Cardiologists

Credit Hour(s): 0.50

4:30 PM – 5:30 PM

Advances in the Treatment of Monogenic Cardiomyopathies

Credit Hour(s): 0.25

4:30 PM – 5:30 PM

Traversing Care and Guidelines for Patients with HF and Multiple Co-Morbidities

Credit Hour(s): 0.50

4:30 PM – 5:30 PM

Late Breaking Clinical Trials I (LBCT I)

Credit Hour(s): 0.25

Sunday, October 4

10:00 AM – 11:30 AM

New Data and Learnings from VICTORIA Trial

Credit Hour(s): 1.00

10:00 AM – 11:30 AM

Cardiogenic Shock in 2020: Evolving Definitions, Devices, and Delivery

Credit Hour(s): 0.50

11:45 AM – 1:15 PM

DAPA-HF - One Year On

Credit Hour(s): 1.50

11:45 AM – 1:15 PM

Cardiac Cachexia: Mechanisms, Measuring Muscle, and Managing Malnutrition

Credit Hour(s): 0.50

3:00 PM – 4:15 PM

Targeting Therapy for HFpEF

Credit Hour(s): 0.75

4:30 PM – 5:45 PM

Understanding HF with Recovered Ejection Fraction

Credit Hour(s): 0.75

4:30 PM – 5:45 PM

Integrated Omics in HF: Precision Medicine Highlights for HF Clinicians and Scientists

Credit Hour(s): 0.25

4:30 PM – 5:45 PM

The Intersection of Cardio-Oncology and Advanced HF: From Stage A to D

Credit Hour(s): 0.75

Monday, October 5

6:00 PM – 7:00 PM

Late Breaking Clinical Trials II

Credit Hour(s): 0.25

Tuesday, October 6

6:00 PM – 7:00 PM

How to Manage Cardiovascular Complications During Pregnancy

Credit Hour(s): 0.75

Pharmacists

The Heart Failure Society of America is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (CPE).

This event is accredited for 34.75 contact hours of knowledge-based CPE.

Pharmacist participants may earn up to

34.75 hours of knowledge-based CPE. To earn credit, participants must complete the online evaluation for each presentation attended and submit their NABP ID and DOB (MMDD). Once evaluations are completed, CPE will be uploaded to CPE monitor within 60 days of the close of the activity. Pharmacist must fill out evaluation to claim credit by 11:59 PM EST on Friday, November 20, 2020.

CE Credit Information

Criteria for Successful Completion

Successful completion of this continuing education activity includes participation in the evaluation post course evaluation. For those session designated for MOC credits, participants must also achieve a passing score of 75% on the evaluation's post-test.

See below for details on claiming credits while in the virtual meeting platform.

Claiming CE and MOC Credit in the Virtual Platform

Claiming CE Credits

To claim CE credit, access the "Claim CE Credit" link in the player during a scientific session for each session-specific evaluation.

- Evaluations must be completed in order to receive credit certificates.
- All evaluations will be electronic and are mobile optimized.
- Evaluations can be accessed during and following the meeting.

Learners are advised to access the "Claim CE Credit" tab during the session as the first option, but if the session has ended, learners may access CE Credit information and evaluations via this link: <https://ceu.experientevent.com/HFS201>

Claiming MOC Credits

To claim MOC, learners must complete the pre-test found in the "Session Info & Pre-Test" tab of the session player. At the conclusion of the course, learners must complete the evaluation, achieve a 75% passing score on the posttest assessment, and provide the HFSA with their ABIM ID# and DOB. (MM/DD)

The HFSA will report all successfully obtained MOC contact hours directly to the American Board of Internal Medicine (ABIM) Maintenance of Certification (MOC) program.

Satellite Symposia Information

In support of improving patient care, The Heart Failure Society of America is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Satellite symposia will each offer 1.25 hours of continuing education credit.

Please refer to the satellite handout materials for exact hours for physician credits and nursing credits (if applicable).

Scientific Program Learning Objectives

Following this meeting, attendees will be able to:

1. Describe the epidemiology of HF and implement strategies for the prevention of HF.
2. Discuss the current scientific basis of HF from the perspectives of cardiovascular physiology, neurohormones, tissue factors, molecular biology, and genetics.
3. Identify the findings of basic science research and current clinical trials and describe their implications for current and future HF therapy.
4. Implement optimal guideline-based therapeutic options for HF, including pharmacologic agents, non-pharmacologic options, such as diet and exercise; and implantable devices.
5. Manage comorbidities including hypertension, diabetes, depression, sleep apnea, and chemotherapy.
6. Demonstrate awareness of psychosocial, economic, regulatory, and ethical issues in the treatment of patients with HF.
7. Explain the patient, provider and system-related factors that contribute to racial and ethnic health disparities.
8. Implement strategies for effective management of the patient with HF, incorporating the family, encouraging self-care, and employing the team approach.
9. Outline strategies for transitioning patients from inpatient to outpatient care and for reducing hospital readmissions.
10. Engage in performance measurement and other site-based research.

Specific learning objectives for each of the scientific sessions and satellite symposia are listed in the session description in the virtual meeting platform.

Competencies Addressed

The 2020 scientific program contains content that addresses the following ABMS core competencies:

- Patient care
- Medical knowledge
- Interpersonal and communications skills
- Professionalism
- Systems-based practice
- Sessions also address the following ABIM specified competency areas in advanced heart failure and transplant cardiology:
 - Epidemiology and risk factors
 - Pathophysiology of heart failure
 - Hemodynamics and hemodynamic monitoring
 - Heart failure and normal ejection fraction
 - Heart failure with renal dysfunction / cardiorenal syndrome
 - Diagnostic tests and procedures
 - Acute decompensation of chronic heart failure
 - Subset of patients with heart failure, including women, the elderly, and different racial or ethnic groups
 - Heart failure comorbidities
 - Heart failure and pregnancy
 - Cardiomyopathies
 - Pharmacotherapy
 - Implantable devices
 - Heart transplant
 - Mechanical circulator support
 - End-of-Life Issues

Presentation Information

Audience Response System

Instructions for Attendees:

During live presentations, attendees can click the “Interactivity” tab to submit questions for session faculty. If the session has live polling, it will also appear under this tab.

Meeting Content

The HFSA Virtual Annual Scientific Meeting 2020 provides a forum for the open exchange and discussion of research results and scientific advancements in the field of heart failure; however, HFSA makes no representation or warranty as to the truth, originality, or accuracy of the information presented. Nor are the views expressed by the individual speakers necessarily the view of HFSA. HFSA supports the ACCME’s policy on evidence-based content and requires faculty to adhere to these standards when preparing a presentation.

Presenter / Planner Disclosure Information

The Heart Failure Society of America (HFSA) is committed to ensuring balance, independence, objectivity, and scientific rigor in its educational activities. HFSA has a disclosure policy that requires oral presenters to disclose all relevant financial relationships for themselves and their spouse or partner during the past 12 months with any commercial entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients and related to the content of the activity, whether or not these commercial entities are supporters of the activity.

Speaker disclosure information is available in the virtual meeting platform Resources Hub. Speakers also have a disclosure slide at the beginning of each presentation. All potential conflicts of interests have been resolved in accordance with the Joint Accreditation Updated Standards for Commercial Support.

Supporters

CE Satellite Symposium

The Heart Failure Society of America acknowledges the following for providing an unrestricted educational grant to support this year's Satellite Symposia.

Supported by independent educational grants from:

Akcea Therapeutics

Alnylam Pharmaceuticals

Amyloidosis Research Consortium

AstraZeneca

Boehringer- Ingelheim Pharmaceuticals, Inc./ Lilly USA, LLC

Eidos Therapeutics

Merck

Pfizer

Interactive Workshops

The Heart Failure Society of America acknowledges the following for providing an in-kind donation to support this year's workshop:

Abbott

ActiCare

Medtronic

Eko Devices, Inc.
