

Heart Failure Society of America (HFSA) Heart Failure Certification (HF-Cert) Credential Verification List

* Certificants may opt-out of inclusion in the online verification system by contacting the HFSA office via email. When certificants choose to opt-out of online verification, written verification of credentialed status may be obtained by providing the certificant name via email to the HFSA certification staff. Only the certification status may be shared. No other data may be shared without written permission from the credentialed practitioner.
