

HFSA Virtual Board Certification Review 2021

Advanced Heart Failure & Transplant Cardiology

REGISTER TODAY
for this virtual meeting!
JULY 16-18, 2021

**PROGRAM
NOW AVAILABLE
ONLINE!**

This course will help you prepare for the **ABIM Advance Heart Failure & Transplant Cardiology Board Certification Exam** and provide an overview in heart failure by helping you:

- Identify gaps in knowledge about advanced heart failure and transplant cardiology
- Focus study efforts on filling identified knowledge gaps
- Practice for the certification examination with ABIM-style multiple-choice test questions
