CE Credit Information

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, The Heart Failure Society of America is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to

provide continuing education for the healthcare team.

Physicians

HFSA designates this live activity for a maximum of **54.00 AMA PRA Category 1 Credits™**. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component and post-test with 75% passing score, enables the participant to earn up to **9.25 MOC** points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.

Nurses

This educational activity is approved for Nursing Continuing Professional Development (NCPD) units by the Heart Failure Society of American, an accredited provider of the American Nurses Credentialing Center. This activity is approved for a maximum of **54.00** contact hours (which includes a number of hours of nursing pharmacology. See details below).

Pharmacology Hours for Nurses

For Nurses who require pharmacology hours for their certification or licensure renewal, this year the HFSA Annual meeting offers opportunities to accrue a maximum of **17.00** hours.

Saturday, September 11

2:00 PM - 3:00 PM

Crash & Burn: Cardiogenic Shock in 2021

Credit Hour(s): 0.25

2:00 PM - 3:00 PM

Sarcoidosis

Credit Hour(s): 0.25

2:00 PM - 3:00 PM PM

The Right Heart: No More the Forgotten Side
Joint Session with the Canadian HF Society (CHFS)

Credit Hour(s): 0.25

3:30 PM - 4:30 PM

Digesting EMPEROR-Preserved: The Evolving Treatment of HFpEF and Use of SGLT2i

Credit Hour(s): 1.00

3:30 PM - 4:30 PM

Beyond PVR: Assessing and Managing the Dysfunctional Right Ventricle

Credit Hour(s): 0.50

Sunday, September 12

8:00 AM - 9:15 AM

Recent Advances and Update on Myocarditis
Joint Session with the Myocarditis Foundation

Credit Hour(s): 0.50

8:00 AM - 9:15 AM

Applying Genetics & Genomics in HF: Current Landscape & Future Directions

Credit Hour(s): 0.50

8:00 AM - 9:15 AM

Substance use in Tx and LVAD Candidates

Credit Hour(s): 0.25

8:00 AM - 9:15 AM

COVID and the HF Clinician

Credit Hour(s): 0.50

8:00 AM - 9:15 AM

Burned Out : Identifying and Managing Clinician Burnout and Mental Wellness

Joint Session with the American Association of Heart Failure Nurses (AAHFN)

Credit Hour(s): 0.25

9:45 AM - 11:15 AM

Cardio-oncology

Credit Hour(s): 0.50

CE Credit Information

Pharmacology Hours for Nurses Continued

9:45 AM - 11:15 AM

International Session - Universal Definition of HF

Joint Session with the Heart Failure Association of the European Society of Cardiology (HFA-ESC) and the Japanese Heart Failure Society (JHFS)

Credit Hour(s): 1.00

9:45 AM - 11:15 AM

Optimizing LVAD Management

Credit Hour(s): 0.50

9:45 AM - 11:15 AM

Failing Organs in Patients with Advanced HF, Will a Cardiac Fix Fix the Rest?

Credit Hour(s): 0.50

1:30 PM - 2:45 PM

Innovation in Heart Transplant: The Future of the Field

Credit Hour(s): 0.75

1:30 PM - 2:45 PM

HFpEF

Credit Hour(s): 0.50

1:30 PM - 2:45 PM

Role of Diet, Nutrition, & Body Composition in Patients with HF

Credit Hour(s): 0.25

3:15 PM - 4:30 PM

Pulmonary Arterial Hypertension: Providing Comprehensive Care Based on Risk

Credit Hour(s): 1.00

3:15 PM - 4:30 PM

Virtual Health

Credit Hour(s): 0.25

Monday, September 13

8:00 AM - 9:15 AM

Reexamining the 2018 Change in Heart Transplant Allocation Decisions: Are We Better Off Now?

FDA Special Session

Credit Hour(s): 0.25

8:00 AM - 9:15 AM

Defining Constructs of HF: Biomarkers to Symptoms

Credit Hour(s): 0.25

8:00 AM - 9:15 AM

Emerging Devices/Procedures for Heart Failure

Credit Hour(s): 0.25

8:00 AM - 9:15 AM

Care Transitions: Methods, Medications, Metrics, and More!

Credit Hour(s): 0.50

9:30 AM - 10:30 AM

Debate: Optimal Medical Therapy for HFrEF, Death of HVAD, and Oral Inotropy

Credit Hour(s): 1.00

9:30 AM - 10:30 AM

Current Concepts in Iron Deficiency and HF

Credit Hour(s): 1.00

9:30 AM - 10:30 AM

Peripartum Cardiomyopathy

Credit Hour(s): 0.75

9:30 AM - 10:30 AM

JNC New Investigator Award (Basic Science / Clinical)

Credit Hour(s): 0.50

11:00 AM - 12:00 PM

Late Breaking Clinical Trials II

Credit Hour(s): 1.00

11:00 AM

Late Breaking Clinical Trials II

Credit Hour(s): 1.00

11:00 AM - 12:00 PM

Clinical Conundrums (Multidisciplinary Case Discussion)

Credit Hour(s): 1.00

11:00 AM - 12:00 PM

Revascularization in HF

Credit Hour(s): 0.50

CE Credit Information

Pharmacology Hours for Nurses Continued

12:15 PM - 1:15 PM

Unintended Side Effects: Polypharmacy, Adherence, & Financial Toxicity of Evolving GDMT for Heart Failure

Credit Hour(s): 1.00

12:15 PM - 1:15 PM

Cardiac Amyloidosis

Credit Hour(s): 0.50

Pharmacists

The Heart Failure Society of America is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (CPE). This event is accredited for up to **24.75** contact hours of knowledge-based CPE.

Pharmacist participants may earn up to **24.75** hours of knowledge-based CPE. To earn credit for the live session, participants must complete the online evaluation for each presentation attended and submit their NABP ID and DOB (MMDD).

Once evaluations are completed, CPE will be uploaded to CPE monitor within 60 days of the close of the activity. Pharmacists wishing to claim credit for attending the live session must fill out the session evaluation(s) no later than 11:59 PM EST on Monday, November 1, 2021. ***Please Note:** Live CPE sessions are recorded and will be available On-Demand. Learners attending the Live Session —in-person or live-streaming— will receive live credit designated with the L04-UAN codes, and the learners opting to watch the session(s) on-demand as a Home-Study session will receive Home-Study credit with the H04-UAN codes.

CE Credit Information

Criteria for Successful Completion

Successful completion of this continuing education activity includes participation in the evaluation post course evaluation. For those session designated for MOC credits, participants must also achieve a passing score of 75% on the evaluation's post-test.

See below for details on claiming credits while in the virtual meeting platform.

Claiming CE and MOC Credit

Claiming CE Credits

To claim CE credit, learners must complete a session-specific evaluation. Click the "Claim CE Credit" link on the bottom left-hand side of the screen in the session player on the Virtual Meeting Platform to access the session evaluation. Onsite attendees will find QR codes for CE / MOC credits on signage and the schedule at a glance available at the registration desk or at the CE kiosk near registration.

Attendees may also view a list of CE sessions and complete the corresponding post-session evaluation using this link: <https://ceu.experientevent.com/HFS211>

The deadline to claim CE credit is 11:59 PM EST on Friday, November 19, 2021.

Claiming MOC Credits

Learners seeking to claim contact hours in the American Board of Internal Medicine (ABIM) Maintenance of Certification (MOC) program will be asked to complete a session pre-test prior to the start of the session. At the conclusion of the session, the participant must complete a session evaluation and pass the post-test assessment with a 75% score.

Learners must provide the HFSA with their 6-digit ABIM number along with their Date of Birth (MMDD). The HFSA will report all successfully obtained MOC contact hours directly to the ABIM.

To claim MOC credit, click the "Pre-Test" link on the bottom left-hand side of the screen in the session player on the Virtual Meeting Platform to access the session pre-test. Onsite attendees will find QR codes for CE / MOC credits on signage

and the schedule at a glance available at the registration desk or at the CE kiosk near registration.

To see a list of MOC sessions with links to their corresponding pre-tests, use this link: <https://hfsa.org/hfsa2021/moc>

The deadline to claim MOC credit is 11:59 PM EST on Friday, November 19, 2021.

Pharmacy Credit: Additional Details

Learners seeking to claim continuing pharmacy education (CPE) credit hours must complete the online evaluation for each presentation attended and submit their NABP ID and DOB (MMDD). Once evaluations are completed, CPE will be uploaded to CPE monitor within 60 days of the close of the activity. Evaluations are available in the "Claim CE Credit" tab housed within the session player for a session offering CPE credits.

Pharmacists must fill out evaluation to claim credit by 11:59 PM EST on Monday, November 1, 2021.

Satellite Symposia Information

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, The Heart Failure Society of America is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC),

to provide continuing education for the healthcare team.

Satellite symposia will each offer continuing education credit hours.

Please refer to the satellite handout materials for exact hours physician, nursing, and/or pharmacy credits where applicable.

Scientific Program Learning Objectives

Following this meeting, attendees will be able to:

1. Describe the epidemiology of HF and implement strategies for the prevention of HF.
2. Discuss the current scientific basis of HF from the perspectives of cardiovascular physiology, neurohormones, tissue factors, molecular biology, and genetics.
3. Identify the findings of basic science research and current clinical trials and describe their implications for current and future HF therapy.
4. Implement optimal guideline-based therapeutic options for HF, including pharmacologic agents, non-pharmacologic options, such as diet and exercise; and implantable devices.
5. Manage comorbidities including hypertension, diabetes, depression, sleep apnea, and chemotherapy.
6. Demonstrate awareness of psychosocial, economic, regulatory, and ethical issues in the treatment of patients with HF.
7. Explain the patient, provider and system-related factors that contribute to racial and ethnic health disparities.
8. Implement strategies for effective management of the patient with HF, incorporating the family, encouraging self-care, and employing the team approach.
9. Outline strategies for transitioning patients from inpatient to outpatient care and for reducing hospital readmissions.
10. Engage in performance measurement and other site-based research.

Specific learning objectives for each of the scientific sessions and satellite symposia are listed in the session description in the virtual meeting platform.

The 2021 scientific program contains content that addresses the following ABMS core competencies:

- Patient care
- Medical knowledge
- Interpersonal and communications skills
- Professionalism
- Systems-based practice
- Sessions also address the following ABIM specified competency areas in advanced heart failure and transplant cardiology:
 - Epidemiology and risk factors
 - Pathophysiology of heart failure
 - Hemodynamics and hemodynamic monitoring
 - Heart failure and normal ejection fraction
 - Heart failure with renal dysfunction / cardiorenal syndrome
 - Diagnostic tests and procedures
 - Acute decompensation of chronic heart failure
 - Subset of patients with heart failure, including women, the elderly, and different racial or ethnic groups
 - Heart failure comorbidities
 - Heart failure and pregnancy
 - Cardiomyopathies
 - Pharmacotherapy
 - Implantable devices
 - Heart transplant
 - Mechanical circulator support
 - End-of-Life Issues

Competencies Addressed

Presentation Information

Audience Response System

Instructions for Attendees:

For sessions utilizing audience response system for audience polling and Q&A, please follow these instructions:

Onsite Attendees

A QR code or URL will be provided in the session room. Learners will be able to participate using their mobile device or laptop.

Virtual Attendees

In the Virtual Meeting Platform, a link will be available on the session page.

Meeting Content

The HFSA Annual Scientific Meeting 2021 provides a forum for the open exchange and discussion of research results and scientific advancements in the field of heart failure; however, HFSA makes no representation or warranty as to the truth, originality, or accuracy of the information presented. Nor are the views expressed by the individual speakers necessarily the view of HFSA. HFSA supports the Joint Accreditation policy on evidence-based content and requires faculty to adhere to these standards when preparing a presentation.

Presenter / Planner Disclosure Information

The Heart Failure Society of America (HFSA) is committed to ensuring balance, independence, objectivity, and scientific rigor in its educational activities. HFSA has a disclosure policy that requires oral presenters to disclose all relevant financial relationships for themselves and their spouse or partner during the past 12 months with any commercial entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients and related to the content of the activity, whether or not these commercial entities are supporters of the activity.

Speaker disclosure information is available in the virtual meeting platform Resources Hub. Speakers also have a disclosure slide at the beginning of each presentation. All potential conflicts of interests have been resolved in accordance with the Joint Accreditation Updated Standards for Commercial Support.

Supporters

CE Satellite Symposium

The Heart Failure Society of America acknowledges the following for providing an unrestricted educational grant to support this year's Satellite Symposia.

American Regent
Amyloidosis Research Consortium
AstraZeneca Pharmaceuticals
Bristol Myers Squibb
Boehringer Ingelheim Pharmaceuticals, Inc. and Eli Lilly and Company
Cytokinetics Incorporated
Eidos Therapeutics
Ionis Pharmaceuticals
Merck & Co., Inc
Pfizer
Vifor Pharma

Interactive Workshops

The Heart Failure Society of America acknowledges the following for providing an unrestricted educational grant and/or in-kind donations to support this year's workshops.

Supported by unrestricted educational grants from:

Abbott
ABIOMED

Supported by in-kind education donations from:

Abbott
ABIOMED
ActiCare Health
Eko
Medtronic
Vyair Medical
