Leaders in the field of heart failure (HF) — here's your opportunity to connect and deepen your level of engagement within this specialty area.

Join the Heart Failure Society of America (HFSA) today!

In less than 10 years, the number of Americans with HF is expected to grow to 8 million and the risk of developing HF is projected to be one out of five at 40 years of age. As more people are being impacted by HF, HFSA is driven by the goal to reduce the burden on patients and families.

WHO IS HFSA?

SUCCESS in 2021!

- ***A professional society...***
devoted exclusively to improving and expanding heart failure care through collaboration, education, research, innovation, and advocacy
- ***The only organization***
representing all members of the multidisciplinary heart failure team
- ***A connection point for***
engagement between clinicians and patient advocates
- ***A robust society***
comprised of approximately 2,400 professional members and its newest membership category of 500 patients and caregivers

Here are a few highlights:

- » Hosted one of the few in-person cardiology meetings in the world, with over 2,300 total participants and 1,100 onsite
- » Developed the Heart Failure Certification Program (HF-Cert) for advanced knowledge of heart failure
- » Launched Optimal Medical Therapy in Heart Failure (OMT-HF) Certificate Program for providers who are not heart failure specialists
- » Grew the Heart Failure Research Network to nearly 200 members
