\*Breakfast provided by Clinical Care Options

**CME/CE SYMPOSIUM**

## Program Overview

This interactive symposium featuring heart failure experts will disseminate cutting-edge information, provide guidance on translating practice-changing data into clinical practice, and contribute expert perspectives on the use and management of SGLT2i in patients with heart failure.

## Agenda

- Introduction and Baseline Polling
- Latest Clinical Trial Data and Real-world Evidence in Support of SGLT2i in HF
- Approaches for Integration of SGLT2i Into Treatment Plans
- Strategies for Patient Counseling About the Benefits and Adverse Effects of SGLT2

**PROGRAM DIRECTOR**  
**JAVED BUTLER, MD, MPH, MBA**  
University of Mississippi Medical Center  
Jackson, Mississippi

**LAUREN S. EYADIEL, MS, MMS, CCC, SLP, PA-C, FHFSA**  
Atrium Health Wake Forest Baptist  
Winston-Salem, North Carolina

**TY J. GLUCKMAN, MD, MHA, FACC, FAHA, FASPC**  
Providence Health System  
Portland, Oregon

## Joint Accreditation Statement

 In support of improving patient care, Clinical Care Options, LLC (CCO) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.  
Provided by Clinical Care Options, LLC  
This activity is supported by independent educational grants from Boehringer Ingelheim Pharmaceuticals, Inc. and Eli Lilly and Company.

This satellite symposium is presented through a collaboration between Clinical Care Options, LLC and the Heart Failure Society of America. The program topic, learning objectives, and faculty have been reviewed and approved by the ASM Satellite Review Committee. Satellite sessions are not a part of the scientific program as planned and executed by the HFSA Program Committee.
