

Innovative Public Access Visualization Tools in Cardiovascular Disease: Supporting Providers, Patients, and Policy Makers With EARTH-HCM

Sunday, September 29

7:00 AM

Triumph Ballroom A

Hotel Signia by Hilton Atlanta Georgia World Congress Center

Breakfast will be served*

See the next page for more details

EARTH HCM

Unlock insights in cardiovascular care with EARTH-HCM

- Learn how an open-access public online tool can visualize population-level differences in HCM
- Discover how EARTH-HCM outputs can be used to better understand clinical and economic outcomes, as well as health disparities in access to care
- Understand how these insights can impact healthcare policies (eg, healthcare coverage, rural and urban access, other social determinants of health)

PRESENTED BY

**Ahmad Masri,
MD, MS (Moderator)**

Director, Hypertrophic
Cardiomyopathy Center
Oregon Health & Science
University
